

Are You Interested in a Career in Construction?

APPRENTICESHIP OUTREACH

Alaska Works Partnership Is Your Gateway to Successful Construction Careers.

Alaska Works Partnership's **Apprenticeship Outreach** program can assist you in applying for and gaining entry to Alaska's construction trade apprenticeships.

Apprenticeship combines on-the-job training with formal classroom and hands-on instruction. Apprenticeships provided by our Building Trades partners are registered with the U.S. Department of Labor.

To qualify for Alaska Works services, you must be able to make a commitment, work as part of a team, be drug free, and—most important—have a good attitude and a serious desire to start a construction career.

AWP Apprenticeship Outreach can provide you with:

- Information on construction trades
- Referral to apprenticeship
- Assistance obtaining required documents
- Interview Skills
- Travel reimbursement for interview and application
- Referral to community resource agencies
- Other support and financial services, if eligible
